**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We live in an area where without a competitive provider like Sonic, internet would be unaffordable. We not only are able to have internet, but are fortunate enough to have the added bonus of fiber.

This allows my daughter to do her college courses while my disabled son also streams without anyone experiencing slow downs. We need competition in this area to keep in field affordable and up to date.
